

Mariners Landing Community Newsletter

April 2020

Events and Activities

In accordance with the declared state of public health emergency guidelines to increase social distancing and avoid groups of 10 or more, all groups and organizations within Mariners Landing should follow these guidelines and either reschedule or find alternative methods, such as video or phone conferencing for all meeting or events until the executive order is lifted.

A message to the owners and residents of Mariners Landing from PMC:

While Tom and Waller have not closed on the property yet, we are here to help. The health and well-being of the residents of Mariners Landing is our top priority. We have taken steps to reduce the risks associated with COVID-19 and are now conducting meetings by teleconference and web-conferencing.

We understand that many of you will want to limit your exposure in public, please reach out to us and we are happy to make arrangements to pick-up your groceries, prescriptions, etc. We are monitoring the situation closely, if it escalates we are developing a contingency plan for meal deliveries within the community. If you or a neighbor needs assistance, please let us know immediately.

Curt Heidel encourages all owners to give him a call or setup a web-conference with any questions or concerns. He can help answer any questions about the transition and is looking forward to getting to know every owner! You can reach Curt at curtis@perrowcorp.com or 540-894-7653.
