## *...And More!*

### *Spotlight on Our Mariners Employees:*

#### **Meet Molly Bristol**

Molly recently joined the team and can be found at the Mariners Club office, located in the Recreation Center, on days when Julie Heidel is off (yes, Curt is actually giving Julie a few days off). Molly comes from Greensboro, NC but has had a place at SML since 2000. She and her husband, Ron, had planned to retire here in October of this year, however, COVID changed her work opportunities in NC so she made the move earlier. Questions on Amenities or email blasts, call 540-297-9393 or email [office@mariners.club](mailto:office@mariners.club) and Molly will have an answer for you!

*We wish to express our condolences to the family of Harlan Miller. Harlan and Nancy Miller, of Spyglass Lane, have been long time residents of Mariners Landing and supporters of everything Mariners.*

### Hats Off To...

A very special thanks to Steve Kremer for volunteering to head up the Neighborhood Watch program.

### Speaking of Golf...

When it comes to putters, try before you buy: Never buy a putter until you've had a chance to throw it.

### **We want to hear from you.....**

Anything you'd like to share with the Mariners community.

For example:

- A talent or hobby (artist, woodworking, quilting, etc.);
- An anniversary of 25 years or more;
- A photo of your pet;
- A photo taken here in Mariners.
